Mustique-St. Lucia service to begin

By Gay Nagle Myers

Mustique Co., which markets and manages the island of Mustique in the Grenadines, will launch air transfers between St. Lucia's Hewanorra Airport and Mustique on July 14.

The 25-minute flight will operate Fridays through Sundays through Aug. 31 and from Nov. 15 through April on an 18-seat Twin Otter aircraft.

The roundtrip fare is \$466 per person.

Grenadine Airways also flies to Mustique, operating twice-daily, year-round service from Barbados.

All St. Lucia bookings must be made through Mustique Co. at (855) 261-1316 or via email at mustiquevillas@wegnerinc.com.
